

Dear Parent / Guardian

Our school has purchased an online subscription for Essential Skills learning programs. Essential Skills programs build and reinforce basic reading and math skills using engaging online interactive activities.

As part of our school subscription, we're able to provide your child with access to these fantastic learning resources at home! We hope that you'll take advantage of this opportunity to help further your child's educational development.

Step 1

Go to www.essentialskillsonline.com on your PC or Mac computer, iPad, Android tablet, or Chromebook

Step 2

Enter the below School ID & click the "Student" icon

School ID

Note: School ID is made up of a combination of numbers and uppercase letters & must be entered exactly as shown above

Step 3

Select the below class name from the "Class" dropdown menu & enter your child's username & password as provided

Class
